# ABOUT US

**Magnus Group** is ecstatic to invite you to its **"4th Edition of World Aquaculture and Fisheries Conference" (WAC 2024)** which is going to take place during **June 24-26, 2024** as a **Hybrid Event** having both **Online** and **In-person** versions at **Paris, France**.

This highly anticipated event brings together professionals, researchers, scientists, industry representatives, and enthusiasts from around the world to explore the theme of **"Panoramic View of Innovations That Impact Life Below Water."**

WAC 2024 serves as a knowledge-sharing platform, focusing on the potential and uniqueness of small-scale artisanal fisheries and aquaculture. We aim to foster

collaborations and cooperation between fish farmers, workers, and stakeholders while promoting the Sustainable Development Goals (SDGs). With its welcoming atmosphere, this conference provides the perfect opportunity to reconnect with old friends and for new connections within the aquaculture and fisheries community. The mission of WAC 2024 is to raise awareness and support for small-scale and artisanal fisheries and aquaculture, emphasizing their vital contributions to global sustainable development.

During the three-day congress, participants can expect a diverse program featuring leading keynote speakers, insightful tech speeches by industry professionals, engaging oral poster sessions, thought-provoking panel discussions, and invited talks. The exhibition areas will showcase the latest technological presentations, informative advancements, providing a glimpse into the future of aquaculture and fisheries. Moreover, open conversations and networking opportunities will enable participants to expand their professional networks, exchange ideas, and stimulate fresh thinking. We invite you to seize this unique chance to delve into the fascinating world of fish, fisheries conservation and management, and human resource management.

Don't miss out on this extraordinary gathering of experts, practitioners, decision-makers, business innovators, and young professionals. Join us at WAC 2024 to share your expertise, gain new knowledge, and form collaborative relationships with like-minded individuals passionate about aquaculture, fisheries, and the well-being of our oceans.
